A BIBLICAL WALK THROUGH THE MASS

Five Week Bible Study

As Catholics, the Mass is the center of our Faith. It is celebrated throughout the world every day. We know all the responses. We know all the gestures. We know when to sit, kneel and stand. But do we know what it all means?

In A Biblical Walk Through the Mass, Dr. Edward Sri takes us on a unique tour of the liturgy. Based on the revised translation of the Mass, this book explores the Biblical roots of the words and gestures we experience in the liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith. It will also deepen your understanding and devotion to the Eucharist.

As a result of taking this study, you will come to know and understand the richness of the Mass like never before.

"... in all our standing and kneeling, silent attentiveness and responses: there really is 'something deeper going on there.'"

—Dr. Anthony Lilles

4 Week Bible Study - Everyone is Invited! Course Description

The Book of Ruth, while only 4 chapters in length, is one of the most moving accounts in the Bible. A story of love and loyalty, you will be amazed by the many layers and depths of meaning packed into this little love story!

At the end of this marvelous book, we see how Ruth's great grandson is none other than King David, thus putting Ruth in the genealogy of our Lord Jesus Christ.

This study is one of several quality studies offered by **Catholic Scripture Study International** (CSSI). Study materials are written by leading Catholic Scripture scholars and authors. Each study contains references to the Catechism of the Catholic Church, papal encyclicals, and writings of the early Church Fathers and Saints. Program Studies include edifying video presentations delivered by a Catholic priest.

Gail Buckley, Founder and President of CSSI, converted to the Catholic faith in 1994. Soon after her conversion, Gail felt God leading her on a path which culminated in her developing the CSSI Program in 2003. She saw a need for group Bible studies that not only offered fellowship, but studies that were more in-depth, structured and faithful to the teachings of the Roman Catholic Church.
