A firm understanding of Genesis, the first book of the Bible, is fundamental to understanding the rest of the Holy Scriptures. This study of Genesis is part of the Hearts Aflame Scripture Study Program published by Emmaus Road Publishing, part of the St. Paul Center for Biblical Theology. Catholic Scholars Gayle Somers and Sarah Christmyer lead this 2 part study.

Genesis, Part I: God and His Creation, debunks theories claiming that the Book of Genesis is only ancient history or even a myth. Ten lessons explore how chapters 1–11 of Genesis are a “blueprint for the rest of salvation history,” covering themes of temptation, sin, grace, redemption, human sexuality, family, and covenant. Memory verses and study questions make each lesson easy to follow and applicable to everyday life. A comprehensive leader’s guide assists readers in their responses to lesson questions, especially if encountering new or unfamiliar concepts—making Genesis ideal for customizing group Bible study to individual participants.

Genesis II: God and His Family, explores chapters 12–50 of Genesis. Saint Paul tells us to walk in the faith of our father Abraham (Rom. 4:12). Upon what is that faith founded and in what does it consist?

What can we learn from Isaac and Jacob, whom the Book of Hebrews calls “heirs of the promise” (Heb 11:9)? The second of this 2 part study contains 12 lessons and uncovers the rich details of the life of Abraham and the history of Abraham’s descendants, the very human family through whom God promised to eventually right all that had gone wrong in creation.

Come to understand Jesus and the Gospel better by the study of Genesis. See how the Catholic Church has taken seriously every word of truth in this book and enables us to remain connected to God’s original design for His creation.

God Is Calling You To a Deeper Relationship with Him

A Ten-Part Bible Study

by

Thomas Smith & Sarah Christmyer

If we consider that God is the Divine Bridegroom and the Church is his Bride, then the prophets can be seen as "spiritual marriage counselors." They afflict the comfortable and comfort the afflicted, calling us to return to our covenant relationship with God. They urge us to repentance, warn us of the dangers of sin, and announce the blessings of faithfulness. Their prophetic words speak to us even today, as they draw us closer to our heavenly Bridegroom, and show us how to share him with others.

Read the Bible Like the Church Fathers

Course Description

12 week Bible study

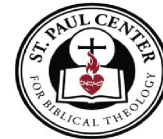

Everyone is Invited! There are no Prerequisites!

Who were the early Church Fathers? Why are they important? How did they read and interpret the Bible? And how are they relevant to us today?

In this study, *The Bible and the Church Fathers*, you will learn a great deal about the lives and times of the Early Church Fathers and how they read the Bible. The Early Church Fathers were deeply formed by Scripture. You'll learn powerful tools for reading the Bible like the Fathers and understand Scripture's relationship to Tradition and to the sacraments.

In *The Bible and the Church Fathers*, Matthew Leonard introduces you to the great heroes of the early Church, the heresies they fought against, how they read and interpreted the Scriptures in light of Tradition and the sacraments.

This study is published by The St. Paul Center for Biblical Theology, founded by Dr. Scott Hahn, his wife Kimberly Hahn, and Mike Aquilina, in 2001, in Stuebenvill, OH.

Everyone is Invited! There are no Prerequisites!

Course Description

This is the foundational study in The Great Adventure Bible Study Series that has helped hundreds of thousands of Catholics learn to read and understand the Bible.

The Bible Timeline is a fascinating study that takes students on a fun journey through the entire Bible. Catholic Biblical Scholar Jeff Cavins leads students deep into each of the twelve periods of salvation history to discover the amazing story of redemption woven throughout all of Scripture.

Periods of Salvation History

*The Early World
Egypt & the Exodus
Conquest & Judges
Divided Kingdom
Return*

*The Patriarchs
Desert Wanderings
Royal Kingdom
Exile
Maccabean Revolt*

Using a unique color-coded system, students learn the major people, places, and events of the Bible and see how they all come together to reveal the remarkable story of our faith.

A combination of individual reading and study, group discussion, and lecture commentary guides participants as they read through the 14 narrative books of the Bible and discover the meaning of each in light of the whole. The Bible Timeline has been granted the Imprimatur by Justin Cardinal Rigali, Archbishop of Philadelphia, Nov 18, 2010.
